United States Media Television Inc. Receives Four 2009 Telly Awards

October 19, 2010, Coral Springs, FL –The producers of United States Media Television Inc. are proud to announce their selection by The Telly Awards and Telly Council to receive four 2009 Telly Awards. These recent awards round out Telly tally to five.

"We are pleased to be recognized again this year for our creative excellence by this prestigious organization," said Jim Nicholas, Vice President of Production for United States Media Television Inc. "We attribute this ongoing success to our commitment to providing quality educational programming for our viewers across the country. We have made considerable capital investments in our equipment over the past year to move into the High Definition platform, and it is paying off with awards like these."

The Telly Awards honor the very best local, regional, and cable television programs, as well as the finest video and film productions, and work created for the Web. Going Green was awarded four Telly Awards honoring its productions in the categories of Real Estate, Green/Eco-Friendly, Automotive, and Government Relations. The segments awarded included the following topics:

- Luxury Urban Lifestyle Living
- Automotive Manufacturing Solutions for the 21st Century
- New Technologies Protecting America's War Fighters
- Clean Energy Solutions & Technologies for the 21st Century

The 30th Annual Telly Awards received over 13,000 entries from all 50 states and five continents.
